

Directions

Until Summer 2017 the Chair of Technology Management is located "Auf AEG", Fürther Str. 246c, Building 11, Entrance 5, 2. floor: At the entrance you can see a big sign for "etz 2.0".

The Chair's offices and the seminar room 11.2.24 are located on the same floor. If you have found entrance 5, you can either take the elevator (button 4) to Nuremberg Campus of Technology or take the stairs. As the stairs are between two buildings, our Chair seems to be located on the 4th floor (2 floors in between). Please ring the bell at NCT – Nuremberg Campus of Technology. If you arrive between 9am and 5 pm, use the white opening button (Türöffner) on the left side of the door.
